"One cannot think well, love well, sleep well, if one has not **dined well.**"

- Virginia Woolf

We go a little insane with food in the Quincy area. And so do our chefs. But hey, with over 70 locally owned eateries, is it any wonder we've got a **fix** for local food? Food tells a lot about a person, or a community. Through our food, you'll find we have passion, ingenuity, diversity & tradition. So enjoy, and get YOUR **LOCAL fix!**

ON the COVER... Chef Chase Mangan (Tony's Too) created genius Chili-Lime Surf & Turf to adorn our guide with the art & beauty of food...spinach-cruste filet mignon medallions with Southwest quinoa & chili-lime shrimp, served over warm naan.
