

Ten Acre Treehouses

The greenest of "green" getaways...

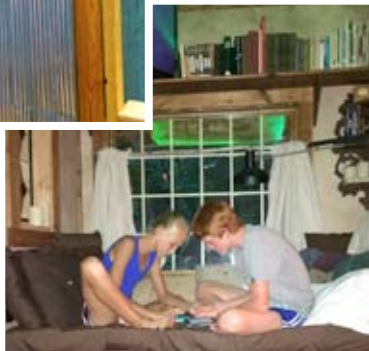

semi-primitive treehouses nestled in a ten acre forest 8 miles outside of historic Nauvoo, Illinois. A truly secluded, off-grid respite.

...a wonderful most magical get away... going back to the blessings of nature... this place helped me decompress & meditate...the chaos of everyday life washed away.

CAPTAINS QUARTERS

Sleeps 4-6 | 400 sq ft

\$157 average daily rate

Nautically inspired, featuring a full 2nd story master bedroom, 1st floor sleeper sofa, small kitchen with refrigerator/freezer, sink, and single burner cook top. Wrap around deck with gas grill provides a laid back environment to enjoy the panoramic views of the forest.

Master bedroom has 10' vaulted ceilings with ample windows to soak in the view from the comfort of a queen sized bed. The balcony features a whimsical 'outhouse' with year round compost toilet and outdoor hot water shower with a 360-degree view- 30' off the ground!

WHITETAIL LODGE

Sleeps 2-4 | 220 sq ft

\$100 average daily rate

One room treehouse features a cozy living area with large leather couch, small half bath with hot water sink and composting toilet. Unique outdoor shower with hot running water and wrap-around deck provides views of the surrounding forest.

Sleeps 2 comfortably with queen mattress in loft, and surplus sleeping on first floor couch. This treehouse features mini refrigerator, BBQ gas grill, microwave, coffee maker, BluRay player and flat screen TV, with DISH satellite service, WI-FI Internet access, and AM/FM stereo system.

THINGS TO NOTE Treehouses are climate controlled with heat & A/C.

Nov-Apr the water may be shut off due to winter weather which is reflected in the lower seasonal rate. Bottled water provided for washing up, brushing teeth, etc.

Pets are welcome {\$25 fee}.

Resident goats, Oreo & Rango, greet you at the entrance.

Paris, the owner's rescue dog, will show you the way through the woods to your treehouse.
